Now for the “SMALL print”

- Visits not completed within the contract term will not be replaced or credited.
- THIS IS YOUR CONTRACT - The contract will be valid for the term (12, 24, or 36 months) requested on the front side beginning after payment is processed by Quality Air. Please keep this application for your records until you receive your renewal at the end of your contract term.
- AUTOMATIC RENEWAL: By signing this agreement, I understand that if I provide a credit card number for payment, my credit card will be billed annually unless I cancel 15 days prior to my renewal date. If paying by check Quality Air will send a reminder to renew prior to the upcoming contract expiration date.
- The diagnostic fee will be applied if service call is not due to equipment i.e. switch is off, dirty filter.
- DECLINE OF PREVENTATIVE MAINTENACE: Preventative maintenance is mandatory in keeping a warranty in a valid status with the manufacturer. I understand that by declining this coverage I am in risk of having a warranty claim denied and I will be responsible for all repairs.
